

Microform Cabinets

Eye Com's ECA-Series Multi-format Microform storage cabinets were designed with quality and flexibility in mind. The ECA-Series Cabinets ship with four moveable steel dividers per drawer, allowing the user to configure the cabinet specifically to meet their own storage requirements.

Drawers can instantly be configured to house 5 rows of 16mm or 35mm microfilm, 3 rows of microfiche, 3 rows of aperture cards, or 3 rows of VHS cassettes with cardboard sleeves. In fact, media can be mixed within the same drawer for ultimate versatility.

Eye Com ECA-Series Cabinets Feature

- Fully welded, 16-gauge steel framework
- Accuride ball bearings
- Durable powder coat paint finish
- Low profile, 3" drawer sides allowing for easy form access
- Class "A" interlock system to prevent cabinet tipping
