

# ScanPro 2200 Plus

## The High Performance, Universal Scanner Fast, Powerful and Easy-to-Use

**TOP OF THE LINE MICROFILM SCANNER**, the ScanPro 2200 Plus has all of the tools and capabilities to work with all of your film types easily, quickly and effectively.

- We have added the 7-105x optical zoom lens as standard. This provides an unprecedented capability to read small text and view fine details on your microfilm. Only the ScanPro microfilm scanners have this capability.
- Continual automatic focus (FOCUS-lock) continues to be recognized as a main reason patrons love the ScanPro. The image on the screen maintains focus even during optical zoom, providing convenience and saving the operator time.
- One-click "Auto-Adjust" to adjust brightness, contrast, straighten the image and put a crop box around the image - patrons call this the "magic button".

### UPGRADE TO THE NEW SCANPRO PLUS AT ANY TIME!

The ScanPro 2200 Plus provides all of the features of the Standard ScanPro 1100, as well as cutting-edge capabilities such as INFO-Link, WORD-Search and more to further improve ease-of-use and work flow efficiency.

### EXCEPTIONAL RELIABILITY

ScanPro products are built for durability in public use applications. It is not unusual to find ScanPro scanners with over 1,000,000 scans and working just like new. And, we are passing that reliability on to you....

### The best value of any microfilm scanner on the market

Spot Edit including Redact, fully Automatic Image Adjust, Straighten, Brightness and Contrast.

Automatic scanning of a full or partial roll of microfilm.

**Your ScanPro purchase now comes with a 3-year warranty!**

# ScanPro 2200 Plus

## Powerful Tools and features for working with all of your microfilm

### Built for rigorous public use

ScanPro products are built for durability in public use applications. The construction is heavy gauge steel throughout and all moving parts use steel bearings for precision, performance and long term reliability. It is not unusual to find ScanPro scanners with over 1,000,000 scans and working just like new.

### Performance

Small and compact, the ScanPro 2200 fits almost anywhere. One CLICK on-screen buttons complete look-ups quickly and efficiently. The combination carriers for all microforms are easy and fast to operate.

### Exceptionally Easy to Use

The ScanPro 2200 Plus software is an intuitive Windows® computer application with familiar icons and text labels. And, the on-screen help menu is available for all controls to help the user at any time.

### ScanPro Roll Film Carriers are the best in the industry.

ScanPro roll film carriers provide the operator with precision micro positioning of the microfilm image. These controls include image advance slow and fast (forward and reverse), image scrolling, image framing and auto-rewind. These controls are conveniently located on the monitor screen so that the operator does not have to move back and forth between physical buttons on the scanner and the software on-screen buttons. Operators report that having all buttons in one place is a significant convenience

ScanPro products have a proven track record of performance and reliability backed by factory trained and certified resellers.

### ScanPro 2200 Plus Features and Specifications

USB3.0 Camera: High optical resolution 45 lp/mm <sup>1</sup> (6.6 megapixels)
Camera optical image orientation portrait and landscape plus 120°
Maximum image size: 424 megapixels (image size is <b>not</b> optical resolution)
Optical zoom magnification of 7 to 105x provides the highest optical image resolution across the entire range in the industry
Digital zoom magnification: 7 to 1575x
Fit to Window fills the entire monitor screen leaving no blank area
